Josh—attached is the compare document. Both the word version of the FSR (sent separately) and this document are submitted on behalf of PPG.

Josh,
We will send or upload document compare tomorrow along with FS Report text in word.

Planning on sending link to report today.

Subject: red line of FS

Hi Ken and Scott,

Can a red line of the FS can be sent with the revised FS? As with the RI, I realize this may not be possible depending on the changes made but if one can be produced it will be helpful in our review.

Thanks,

Josh
